

Club DJ Covenant with Churches

As **Club DJ** came into existence it became very clear that this was something God was doing and not something we were doing. It spread by word of mouth as one church after another shared what **Club DJ** was doing in their church and the children that were being reached. As a family we ended up closing our bakery business after 14 years to follow God's leading in our own lives as we realized God was directing us to do so. Our desire has been to partner with churches to **reach** the children in their communities, **win** them for Christ by presenting the way of salvation, and **disciple** them to have '**Hearts ♥ That Desire to Please God**' which is our motto.

As we have sought to partner with churches to reach the children in their communities we are committed to doing all we can to help the churches have an effective ministry in their communities for the health of the church and the spiritual wellbeing of the children and their families. We desire to do this in the following ways:

1. **Club DJ** will provide a start up workshop to help train those in the church that will be working in **Club DJ**. (There will be no fee for this but the church could give an honorarium if they wish.) (This is for churches running **Club DJ** for the first time!)
2. Craft kits will be available to all churches at \$5.00 a kit or churches may order one kit and have someone from their congregation make the kits as needed.
3. We at **Club DJ** will be available to help your church's **Club DJ** Director whenever possible.
4. We will provide the teaching material, and student books, and materials as laid out in the **Club DJ** order form. **There will be no administration fees charged to the church for running Club DJ.**
5. We will promote your **Club DJ** whenever and wherever possible.
6. **Club DJ Catalogue** awards will be shipped out promptly as ordered. (Please allow 2 weeks for delivery.)
7. Upon receiving the **Church Record Sheet** of lessons completed, **David & Jonathan** will provide **David & Jonathan Awards** for lessons completed as well as enroll the children in the **David & Jonathan** follow-up program where they will receive free Christian books.
8. Further training workshops for churches by a **Club DJ** representative will be available such as:
 - A. How to Lead a Child to Christ.
 - B. Discipline in Your Club.
 - C. The Art of Teaching in Bible Time

2 Chronicles 16:9 – "For the eyes of the LORD range throughout the earth to strengthen those whose hearts are fully committed to him."
